From

THE SECRETARY,

To

The Secretary to the
Government of Mysore,
Gen. and Rev. Deptts.,Bangalore.

SIR,

I have the honor to forward herewith a copy of the letter dated 30th August 1912 received from Mr. T. S. Subrahmanya Iyer, B. A., B. L., High Court Vakil, Kumbakonam for favour of information and orders.

2. The list of Members on the Committee in 1910 is also put up.

3. The case is adjourned to 23rd September 1912 for hearing. I beg to be informed if I may, as suggested, by the Pleader get one Vakalat for members in Mysore and one for those in Bangalore and send them to the same High Court Vakil in Kumbakonam as he has been kept acquainted with the details of the case which the Government is aware of.

The official Summons was received by me only this morning.

I have the honor to be,
Sir,
Your most obedient servant,

Secretary.

Letter dated 30th August 1912 from Mr. T. S. Subrahmanya Iyer, Vakil, Kumbakonam to the Secretary, the Mysore Dasara Exhibition, Mysore

---

Your S. C. suit No. 615 of 12 came on for hearing on the 28th August and it has been adjourned to the 23rd September.

You may know that one of the pleas raised by us in our --- written statement is that the suit as framed against you as Secretary is not competant. In view of that objection, the Plaintiff has amended his plaint by impleading the members of the Exhibition Committee as - parties defendants.

The members of the Commitee being very respectable persons, instead of summonses, letters have been ordered to be sent to them enclosing plaint copies.

I am afraid the plaintiff in fact not have have impleaded the present members of the Committee, but the members that were on the Committee in 1910. I have of course a list of the present members sent by you to me. As soon as the members are served, you will please get Vakalats in my/~~mine~~ name for such of them as are still members. Of course a number of defendants may join in one Vakalat. You will kindly attend to this.

I had written to you to send me the original list of missing

missing articles in the Exhibition of 1910, submitted by you to Government. Please send the same to me as early as possible.

One other matter I wish to inform you. The Plaint very significantly omits to state whether the Plaintiff admit that the remaining articles have been lost and whether the value claimed by him is for such articles. I propose to serve Plaintiff with an interrogatory asking him to state whether he admits that the goods have been lost as stated by us. If he does not admit that fact, I shall apply for the issue of a commission to Mysore to examine you all on that matter. No doubt the Plaintiff has admitted the loss in his correspondence. I remember to have written about this matter to you in detail before.
